e-mail: info@vsfitaly.com

Deliveries

By Van to all ports from Imperia to Naples, Venice and Ancona.

Delivery charge may be applied according to the destination and the amount of the order.

Tax Free Deliveries

Your Yacht may be eligible for a tax free delivery if fulfils each of the following conditions:

- The Yacht is commercially registered on the Yacht Certificate
- The Yacht is chartering with a regular Charter Agreement
- The Purchase can not be for a static charter
- You will provide in advance copy of the Yacht Registration Papers and the specific Charter Agreement
- It is mandatory for every tax free delivery to receive from the Captain a declaration of compliance certifying that **70% of voyages made from the yacht during the previous year were outside italian waters.**
- **The aforementioned condition must be proved and verified by official documentation (ex. boat log pictures)**

Please note that due to the Custom constraints we usually need to provide at least 48 hours notice to effect a tax free delivery.

Deliveries can only be made during Customs hours (9-12 and 14-17, Monday to Friday) and following receipt of their approval.

Customs reserve the right to board the vessel at the time of delivery and subsequently.

The Customs Agents fees payable are at least 130,00 Euro, depending on the amount of the order.

No return of goods can be accepted once the delivery has cleared Customs.

Tax Free status can never be reclaimed retrospectively.

There are potentially serious consequences for false declarations.

Payment

We are happy to accept, Credit Cards (Visa, Mastercard and Amex [1,75% surcharge]) and wire transfers.

Please let us know how you wish to pay when ordering.

Unless previously agreed, payment is due in full on delivery.

We reserve the property of the goods until their full payment.

All prices in this catalogue are in Euro and exclusive of Italian V.A.T.

V.A.T rate for each article is indicated on the right column of each page.
